

Get Started with Istation Home

Student:

1. Install Istation by going to www.istation.com/Support.
2. Follow the instructions to install Istation on your home computer (Windows or Mac).
3. Log in to Istation using the install instructions above.
4. You will only need to download Istation one time. After that you will double-click the Istation icon on your computer's desktop.

Parent:

1. To visit the Istation Parent Portal, go to secure.istation.com.
2. The first time you log in, you will be prompted to select your student's school. Type in the school information. (This will only be done once.)

Select Your School

Before you log in to the Istation classroom management and student report Web site, you must specify your location so that we can properly identify your account.

You can search by your school, district, or Istation domain.

Type provided school info here Search

search by school name

3. Type in your student's login information as provided by your teacher and click Log On.
